

Karcher (KARK7C)

K 7 Compact Pressure Washer 180 bar 240V

The Karcher K 7 Compact Pressure Washer has all the power of a regular Karcher in a small machine that's easy to store. With its long-life, water-cooled motor, it stands up to frequent use for all your cleaning jobs around the home. Tackle the most stubborn dirt on the patio with the Dirt Blaster lance and switch to the Vario lance when you need a gentler clean for delicate car paintwork or a wooden deck. A telescopic handle makes it easy to manoeuvre, whilst the Quick Connect system helps you get to work in record time. A 10m flexible, anti-twist, high-pressure hose gives you all the reach you need for getting into every corner. When you're done, the hose, lances, and trigger gun store neatly away on board to save space and keep everything in one place. Supplied with: 1 x Vario Power Spray Lance 1 x Dirt Blaster Lance 1 x G 180 Q Quick Connect Trigger Gun 1 x 10m High-Pressure Hose Specification: Max. Pressure: 180 bar Flow Rate: 550 L/hr. Max. Water Feed Temperature: 60 C Hose Length: 10m Weight: 15.8kg
