

Milwaukee Power Tools (MILM18BIW380)

# M18 BIW38-0 Compact 3/8in Impact Wrench 18V Bare Unit

Milwaukee M18 BIW38 Compact 3/8in Impact Wrench measures 152mm in length making it perfect for working in confined spaces. With a heavy-duty full metal gear box and gears for superior durability and maximum torque. With REDLINK overload protection electronics in the tool and battery pack, it delivers best in class system durability. Also has an on board fuel gauge and LED light. REDLITHIUM-ION batteries deliver two times more run time, up to 20% more power, and two times more battery life. The battery also operates better at -20 C, than any other lithium-ion batteries. Individual cell monitoring optimises tool run time ensuring long term durability. Flexible battery system that works with all Milwaukee M18 batteries. Specifications: Bit Holder: 3/8in Square. No Load Speed: 0-2,450/min. Impacts Per Min: 0-3,350/bpm. Max Torque : 210Nm. The Milwaukee M18 BIW38-0 Compact 3/8in Impact Wrench is supplied as a bare unit. No battery or charger included.
