

Milwaukee Power Tools (MILM18BMT0)

M18 BMT-0 Multi-Tool 18V Bare Unit

Milwaukee M18 BMT Multi-Tool is a versatile cordless solution for cutting and removal applications. With REDLINK[®] overload protection electronics in tool and battery pack, it delivers best in class system durability. Variable speed (12,000 - 18,000/min) and 1.7[°] left/right oscillation movement allows quick completion of professional applications into materials such as metal, wood and plastic. With FIXTEC[™] tool free blade change and a bright LED work light. A fuel gauge also displays the remaining charge. REDLITHIUM-ION[™] battery pack delivers up to 2x more run time, up to 20% more power, up to 2x more battery life and operates better down to -20 C than other lithium-ion technologies. Flexible battery system works with all Milwaukee M1B batteries. Specifications: No Load Speed: 12,000 - 18,000/min. Oscillation Angle: 1.7[°]. Weight: 1.7kg. The Milwaukee M18 BMT-0 Multi-Tool is supplied as a bare unit. No batteries or charger included.
