

Milwaukee Power Tools (MILM18BSX0)

M18 BSX-0 Heavy-Duty SAWZALL® 18V Bare Unit

The Milwaukee M18 BSX Heavy-Duty SAWZALL is fitted with a high performance 4-pole motor that delivers maximum power whilst maximising the power to weight ratio. The counter balance mechanism reduces vibrations to 15.2 m/s² in wooden beams. It is fitted with Milwaukee's patented FIXTEC clamp for fast and easy keyless blade change. REDLINK overload protection electronics in tool and battery pack deliver best in class system durability. Specification Strokes at No Load: 3,000/min. Stroke Length: 28.6mm Capacity: Wood 300mm This Milwaukee M18 BSX-0 Heavy-Duty SAWZALL comes as a Bare Unit, NO battery or charger supplied.
