

Metabo (MPTW18LTXN)

W 18 LTX 115 QUICK Angle Grinder 115mm 18V Bare Unit

The Metabo W 18 LTX 115 QUICK Angle Grinder has a slim design for prolonged comfort when working overhead or in areas with limited space. When attached the battery pack (not supplied) can be swivelled for better access in hard to reach places. Its motor features electronic soft start for smooth start-up, and overload protection protects the motor from overheating. Restart protection provides additional safety by preventing unintentional start-up after battery pack change. This grinder utilises the Metabo Quick feature for tool-free disc change by means of a quick-locking nut. A detachable dust protection filter protects motor from coarse particles. Bare Unit - No Battery or Charger supplied. Supplied with: 1 x Guard, 1 x Inner Support Flange, 1 x Quick-Locking Nut, 1 x Side Handle, 1 x Dust Protection Filter and 1 x MetaLoc Case. Specification: No Load Speed: 8,000/min. Disc Diameter: 115mm Spindle: M14 Weight: 2.4kg
