Product information

Packed with lightweight Insulatex thermal insulation, the Aspen ladies jacket provides a flattering fit and offers an ultrasoft, water resistant solution for outdoor wear. The unique fabric technology locks in the body's warmth to create a thermal barrier for optimum wearer comfort.

Insulatex

Constructed using hollow fibre technology, Insulatex™ provides a lighter and warmer thermal lining. The unique fabric technology locks in the body's warmth to create a thermal barrier with the high performance material offering superior lightweight comfort to the wearer without adding bulk.

Rainwear

The following Rainwear collections offer an outstanding choice of designs and colours, suitable for many end users. The best quality fabrics and high technology construction techniques are used throughout, guaranteeing the ultimate in all-weather protection. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured with care to ensure total satisfaction wear after wear.

Features

- Showerproof to resist light rain
- Lightweight and comfortable
- Extremely water resistant fabric finish, water beads away from fabric surface
- Inner soft Insulatex lining traps heat fast keeping the wearer warm and protected from the elements
- Reversed zip for convenient opening/closing
