

## CLEANING INSTRUCTIONS OF DOUBLE BOTTLE

---

To maintain clear glass of the Double Bottle please follow the cleaning instructions provided below. Hand wash is recommended.

Dishwasher approved, except from the cork plugs and oak block.

1. First, rinse out the Double Bottle to remove any remaining liquid.
2. Mix warm water and two teaspoons of baking soda inside the carafe, swirling for a few minutes to allow the baking soda to agitate any residue or sediment of wine or liquid on the glass.
3. In case of harsh stains, add uncooked rice to the carafe, swirling for a few minutes.
4. When the Double Bottle is clean, remove and dispose of the contents.
5. Rinse first with soapy water and then pure water.
6. For the final flourish, rinse the inside of the Double Bottle with white vinegar and finish with distilled water to prevent any spotting as the glass dries.
7. Leave to dry upside down.

NB! Avoid to soak the corkplugs while cleaning the carafe.
