Mater High Stool by Space Copenhagen launching in an exclusive 2017 Limited Edition. The Mater High Stool 2017 is a new and limited edition of Space Copenhagen's iconic High Stool designed in 2009.

The 2017 Limited Edition adds premium features with a brass metal footrest and a seat upholstered with silky soft and exclusive Royal Nubuck aniline leather from the most recognized leather supplier in Denmark, Sorensen Leather. The wood is crafted in FSC certified oak wood from European sources with a water-based dark stain.

The 2017 Edition is available within the year of 2017 and is on stock in counter height 69 cm. For projects height 74 cm is available.

## About the Designer

Space Copenhagen – established in 2005 by Signe Bindslev Henriksen and Peter Bundgaard Rützou, both graduated The Royal Danish Academy of Fine Arts, School of Architecture – is known for defying habits and employing a sincere personal vision to their design. The projects Space Copenhagen has turned their hands to include everything from interior design, to furniture and refined objects for everyday use as well as artistic installations and art direction.

These diverse areas are especially reflective of their ability to transcend many roles and apply their emotional method of working to a number of projects or products.

## About Mater

Mater was established in 2006 in Denmark by Henrik Marstrand, who had a vision to create iconic and beautiful design, based on an ethical business strategy. Through collaborations with an external network of established and fresh talent, Mater combines high-end furniture and lighting, constructed with methods that support people, local craft traditions and the environment.
