

DINING TABLE

The Mater Dining Table is a timeless dining table with minimal adornment and a sharp profile. Balanced with solid steel legs, the Mater Dining Table combines solid structure and rigorous design. Available in FSC certified beech wood with a sirka grey stained lacquer.

CARE AND MAINTENANCE

In case of any spill clean immediately with a damp cloth. Wipe dry with a dry, soft cloth in the direction of the wood grain. Should not be treated with soap or other cleaning agents as it could cause damaging of the lacquered wood, unless recommended by professional. We always recommend to use coasters under hot objects, such as coffee pots and cups. Protect the product from direct sunlight, excessive heat and sharp objects.
