INVI

Yonoh Creative Studio, 2023

Type Modul 1

Colours Black oak

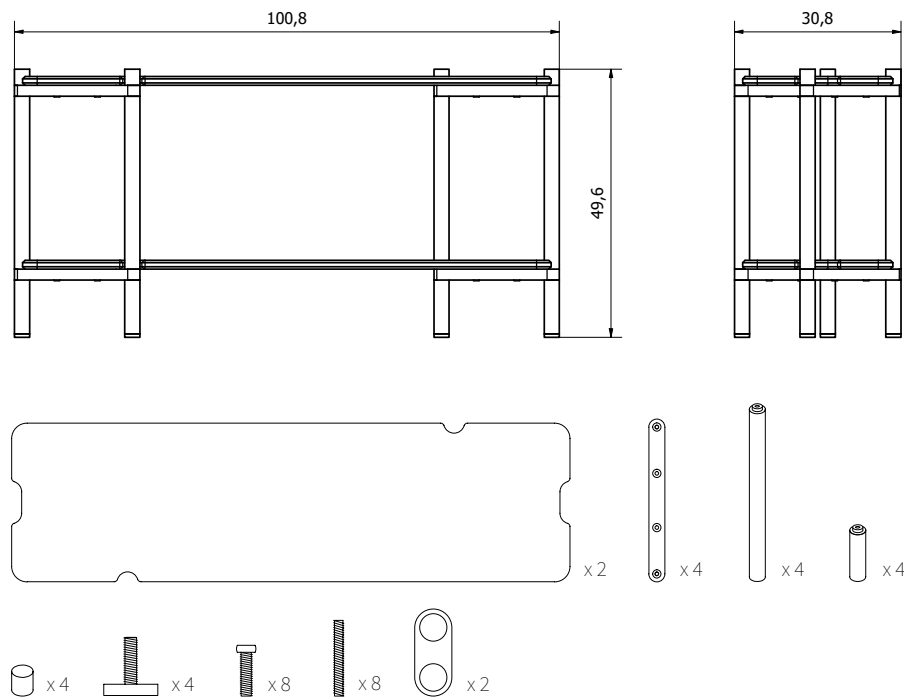

With its modular design, Invi adapts effortlessly to various environments, offering endless possibilities for customization.

Invi consists of two modules, where Module 1 always forms the base on the floor, while Module 2 is used to build in height.

Whether as a bookcase in the living room, a sideboard in an entrance hall, or a dividing element in open spaces, Invi enhances the aesthetic appeal of any setting. Its many combination options allow for unique configurations, building it up tall as a bookcase or allowing it to stand alone as a console table, making Invi a versatile choice.
