SCENE

Michael Rem, 2013

Type Sidepanel Open

Colours Black oak Light oak

Scene is a modular system, designed by Michael Rem for Gejst. Module by module the system can be build up high, extended to the sides and be customized with side panels, doors or back panels made in oak.

The idea behind Scene is to create a frame to put the stories we form during our life on display.

Our stories are captured in artifacts and objects full of sentimental value and with Scene you can tell your stories exactly how you want.
