

OPPO A78 5G

**50MP
Dual
Camera**

Take crystal-clear, high-resolution pictures with the **50MP main camera**. Take your best pictures ever.

Long-lasting Battery

The high capacity 5000mAh battery¹ is a true powerhouse. **Super Power Saving Mode** and **Super Night-time Standby Mode** keep you charged all day and night.

5000mAh

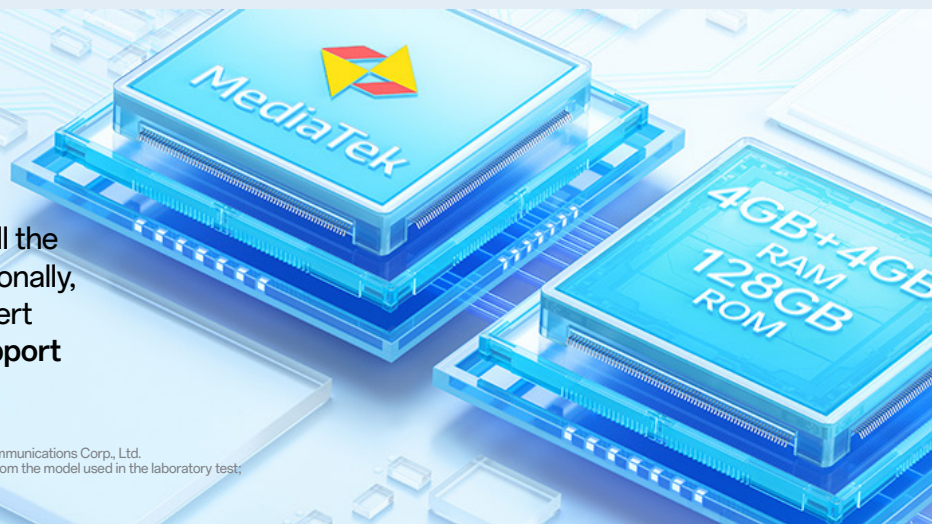

33W SUPERVOOC™ Flash Charge

Never worry about running out of power with 33W SUPERVOOC™². Complete battery protection makes charging your phone safer than ever.

4GB RAM + 128GB Storage

With so much RAM you'll be able to run all the apps, games, and videos you need. Additionally, our **RAM Expansion** up to 4GB can convert available ROM to RAM on-demand to **support highly demanding apps and reduces lag**³

1. The equivalent battery capacity is 5000mAh (typical value).
2. The SUPERVOOC word mark and logos are trademarks owned by OPPO Mobile Telecommunications Corp., Ltd.
3. RAM Expansion adds virtual RAM to the original physical RAM. The data was collected from the model used in the laboratory test; actual results may vary depending on the model.
