

OPPO Find N2 Flip

See More in a Snap

**Fashionably
Portable**

This **super compact** phone folds to fit even in tight trousers or tiny bags, so you get **big screen convenience** without having to make space for a large phone.

Advanced Hinge Technology for a Smooth Folding Screen

Our industry-leading **waterdrop hinge** is crafted from aircraft-grade high-strength steel and polymer making it **incredibly strong and slim**, with **seamless folding** and a **flawless, immersive screen** to keep you in flow when unfolded.

Have confidence that your amazing folding phone will continue to perform throughout its life. The phone stays **tough after 400,000 folding tests**, and has better crease control than alternatives.

Crease Depth
<0.15mm¹

Durable after
**approx. 10 years
of average use¹**

Large Multifunctional Cover Screen

3.26"

The generous 3.26" cover screen gives you more room to play.

The vertical layout offers intuitive and seamless viewing, whilst the screen is **customisable** with lots of timesaving shortcuts.

There's no need to flip open your phone, hit your friends back in an instant from your cover screen with **pre-set text or emojis**.

Need extra detail?

Selfies are now possible with the powerful rear camera for that extra wow factor.

Flagship Hasselblad Camera For Mobile

This co-developed camera system gives you the **authentic feel** of the classic Hasselblad camera.

From the iconic leaf shutter sound to legendary XPan, plus Hasselblad's nature colour calibration, this feels like the real deal.

And Master Filters add even **more style** to your photography.

Smart FlexForm² Hands-Free Experience

Lose that intrusive “selfie arm” from your images.

Simply angle your Find N2 Flip and take a picture with a gesture - no tripod, no pressing the shutter button.

4300mAh³ Large Battery All Day Staying Power

A big battery and improved energy efficiency tech deliver a phone with **serious staying power**, so you can live life to the full.

44W SUPERVOOC™ Super-Fast Charging

The powerful 44W SUPERVOOC™ flash charge gets you ready to rock again in no time.

23 minutes charge to 50% battery⁵

T&Cs:

1. Certified by TÜV Rheinland through testing conducted under laboratory conditions. Actual results may vary with differences in testing environments.

2. FlexForm refers to when the phone is half-folded, the application will automatically split into two parts: the upper half is mainly for display and the lower half is for control. As of December 2022, it supports WhatsApp and ZOOM video calls, YouTube video streaming, OPPO Camera, Clock, Calculator, and Recording.

3. OPPO Find N2 Flip battery capacity is 3110mAh + 1190mAh (typical value), and the rated value is 3040mAh + 1150mAh. Data comes from tests performed in OPPO labs testing conducted in laboratory conditions.

Actual results may vary due to differences in the testing environment.

4. Data is based on tests performed in OPPO labs and may vary depending on the product software version and test environment.

5. Based on tests performed in OPPO labs. The actual charging time may vary depending on differences in environments or individual devices (such as temperature variations and battery age).
