Please note:

- * Prices are for suspension servicing only. If entire bikes are supplied, there will be additional costs of up to \$50.00 for removal and reinstallation of applicable product. (cleaning and threadlocking pivot bolts, headset adjustment, brake removal/installation and alignment etc)
- * Rockshox, SBC and KS posts are serviced by Burkes Cycles Mechanics.
- * Fox Transfer seatposts are sent to the Fox Service Centre.
- * Freight charges will apply for sending to and being returned from the Fox Service Centre.
- * Quoted prices are for standard service parts. Seatposts in poor condition may require additional parts at additional costs.
- * Prices do not include cable replacement.
- * All prices are GST inclusive.

Our mechanics are certified graduates of the SBCU Technical Masters Course
