About Quiccent

Founded in the early 21st century, Quiccent has grown into a popular brand with reliable products and excellent customer service during the past decades. We started with pop up canopies, and then expanded to other more categories of shelters and the like including party tents, carports, greenhouses, garden beds, shade sails, grow tents, patio umbrellas and RV covers. Driven by the vision to create unique spaces to meet every specific need and become a part of America's landscape, we at Quiccent would spare no effort to keep innovating.

Our Vision

To create unique spaces to meet every specific need, and become a part of America's landscape.

Our Mission

To keep innovating and provide a wide range of reliable shelters and shades at consumer-grade prices with customer-first service.

Our Service

The customer-centric service is what we at Quiccent take great pride in. In addition to the hassle-free warranty covering all Quiccent products, an industrial-leading support team is standing behind at all times. Whenever you need help or have any suggestions and comments, do not hesitate to reach us, you're sure to get at-the-point reply in 12 hours (business days).

Safety Instructions

You should read, understand, and practice safety instructions in this chapter. For any damages due to not obeying guidelines as instructed, the owner (user) should take full responsibility.

- Please do **NOT** leave your canopy unattended outdoors overnight because it's designed to be a temporary structure.
- Please do **NOT** place heavy objects on the top of your canopy.
- Please **ALWAYS** secure your canopy with stakes & ropes. If applicable, we highly recommend you use extra weights (e.g., sandbags) to weigh it down.
- Please **ALWAYS** keep your canopy away from any heat and fire sources. For example, do not use a grill or light a fire inside.
- Please **ALWAYS** take down the canopy for any potential inclement weather including but not limited to rains, winds, storms, snow, etc.
- Please **ALWAYS** stop using the canopy immediately if any damage is found, or Quictent will not be liable for any loss thereafter.
- Please **ALWAYS** ensure the canopy is clean and dry before storing it.
- Please **ALWAYS** clean the fabric with a mild detergent and you'd better not put the Fabric into a washing machine.

Reminders

- Please keep the original packaging cartons in case of a return or an exchange.
- You can **ALWAYS** contact the support team for replacement parts whenever in need.

Assembly

For a better understanding of the steps and smoother assembly, we strongly recommend you:

- Watch the tutorial video **on the product page or the Quic Tent YouTube channel** before you start to set up this pop up gazebo.
- Check to make sure that you have all the parts listed in the **Parts List**.
- Have at least 2 adults for the assembly.

Step 1 Take out the frame, slowly unfold it so that you can easily drape the Roof Cover (#B) over the frame at the 6 corners with built-in Velcro tapes.

Step 2 Attach the roof cover to the frame by matching the hook and loop straps inside the 6 corners of the roof cover with the hook and loop straps at each frame corner, then fully unfold the frame.

Step 3 Assemble the lighting accessories.

- a) Align the Cap (#G) with the center point of the Roof Cover (#B). See Fig.1 for details.
- b) From inside, thread the cord of the String Light (#I) through the hole in the middle of the roof cover. See Fig.1 for details.
- c) Fix the Cap (#G) to the Top Center Connector (#6) of the frame with the Screw (#H), then screw the Solar Panel (#K) with the cap. See Fig.1 for details.

- d) Connect the cord of the Solar Panel (#K) with the cord of the String Light (#I). See Fig.1 for details.
- e) Fix the String Light (#I) with the Top Support Bar (#10) by using the Clips (#J). See Fig.2 for details.

Step 4 Adjust the frame.

- a) Fully unfold the frame.
- b) Lock the upper legs by pushing up the crossbars until you hear the upper buttons click.

c) Make sure the Roof Cover (#B) is fully attached to the roof frame.

d) Extend the legs and adjust them to a proper height by pushing down the leg-release buttons.

Note: There are 3 height options.

Step 5 Attach the 3 x Mesh Sidewalls (#C) to the roof cover with the built-in Velcro tapes.

Reminder: For good ventilation or easy out/in, you can keep each mesh netting open by fixing it to the middle of the poles.

Step 6 Secure the canopy with anchoring accessories.

Warranty

The limited warranty covering the materials and the craftsmanship under normal use and service conditions takes effect from the purchase date (on the invoice). Please note that the order purchase proof (order number or shipping information on the shipping carton) is the only valid evidence to claim for warranty.

- **6-Month** warranty for the **Frame (all the accessories included) and Roller Carry Bag.**
- **12-Month** warranty for the **Fabric.**
- A **lifetime** warranty for the **Anchoring Accessory.**

Reminders

1. In the event that you failed to access your order information online, we strongly advise you to keep the original packaging and shipping carton(s) because they are treated as a proof of purchase.

2. To get what you need as soon as possible, we strongly suggest you provide all of the following information **at your first inquiry:**

- Order number
- Required parts (name, quantity, and part number)
- Pictures (or video clips, if applicable)

Warning

- Restructuring the product without written permission from Quicent in advance would **VOID** the warranty.
- Damages due to improper use in severe weather conditions, including but not limited to high winds, heavy rain, sleet, snow, etc., will NOT be covered by the warranty.

Appendix

- **Shelter for Backyard, Party, Event**

Pop up Canopy

Quicent pop up canopies serve perfectly for your outdoor events, both personally and commercially. They always provide shades for outdoor activities such as parties, picnics, outings, etc, turning everywhere into a perfect place to relax. When it comes to selling at outdoor events, they are easy to handle in all aspects – unfolding (and folding), transporting, and storing. Rich in styles, sizes, and colors, you can always find one that goes well with your needs.

Party Tent

Preparing for parties and events? We've got your back. Diverse in sizes from a small one in 10' x 8' to a regular one in 10' x 20' or 10' x 30' and to a large one in 20' x 40', you can always find a perfect solution matching your demands. What's more, they span a wide range of styles.

Metal Gazebo

Owning a Quicent metal gazebo is just like having another beautiful room in your backyard! The powder-coated steel frame is heavy-duty and can stand firmly outdoors for a long time. The mosquito netting adds privacy and protects you from bugs. The tan ones go with the surroundings well while the red ones are eye-catching.

Patio Umbrella

Quicent patio umbrellas turn anywhere in the open air into a perfect site to "take a breath". They are a must-have for small businesses such as an outdoor café! For homeowners, they make your backyard the best place to relax, especially when you're looking for an escape from the heavy work or energy-taking daily travails.

Shade Sail

Why Quicent provides so many choices for shade sails in colors and shapes? For aesthetics. Your patio would be pleasing to the eye if you mix shades in different colors and shapes, or overlap one a little while mounting others several feet higher or lower.

• Shelter for Vehicle

Carport

The Quicent carports share something in common: They are heavy-duty, easy-to-assemble, and of the most importance, supported by an industrial-leading after-sales service. You can choose from the ones with or without sidewalls depending on your needs.

Motorcycle Shelter

Recommended by so many riders, Quicent motorcycle shelters are proved to be the ultimate solution to protect your motorcycle from the elements. Buy one to see how the well-made cover and the heavy-duty structure realize the great protection.

Garage Shed

A Quicent outdoor storage shed is not only a budget-friendly solution to keep your belongings safe, but also helps organize your life - gone is the backyard/basement clutter.

Truck Tent

Light in weight and excellent in performance, QuicTent truck bed tents are always a safer and more comfortable choice for road trips with a pickup truck. They can protect you from the elements when traveling and keep warm & keep you away from the crawling insects when sleeping. More importantly, whenever you want to stop to rest, the big awning would get you sheltered. Take one home and get your pickup ready for a trip!

RV Cover

The QuicTent RV covers are a great investment for trailers of all kinds. Besides the great protection provided by the 6-layered tear-, water-, and UV-resistant cover, extra reinforced wind straps are the bonus coming with each order.

• Shelter for Plant

Greenhouse

As a necessity for all gardeners, Quictent greenhouses provide an ideal environment to ensure efficient growth and longer growing seasons. Available in mini, medium, and large walk-in ones.

Grow Tent

We highly recommend Quictent grow tents for anyone wanting to grow indoors. Passed the SGS certification, they'll help create an optimal growing environment. You're sure to be surprised by lots of built-in features like more reflective cover materials, the big observation window, convenient hooks, a waterproof tray floor, etc. Take one home to be the master of the temperatures, lights, humidity, and the like for your plants!

Garden Bed

A Quictent raised garden bed is highly recommended for gardening beginners since it makes you the controller of the size, location, and even soil conditions. An elevated one is the ultimate solution for gardeners with back pain or knee issues.
