Timeless, modern patterns and prints, the *Dizzy-Lizzie* line is a designer collection for the modern day woman. Founded in 2006 by designer, Liz Lighton, these classic dresses, pants, jackets, and our *Tizzie* branded shirts are redefining the way women dress.

And NOW redefining the way you dress your daughters and granddaughters! Introducing Daizy Lizzie, *Dresses for Little Girls*. Our beautiful prints are available in Girls sizes 2 -12.

Lighton's passion for prints infuse every detail of her designs. The ribbon trims. The stretch fabrics. The double sided cuffed sleeves. And the contrasting cotton linings.
