THE WHITE HOUSE HISTORICAL ASSOCIATION

Now in its forty-third year, the Official White House Christmas Ornament was started by First Lady Nancy Reagan to provide ongoing support for the White House Historical Association's nonprofit, nonpartisan mission to protect, preserve, and provide public access to the rich history of the Executive Mansion.

Each year, the ornament commemorates an individual president or White House anniversary in sequential order through its unique design. The Official 2023 White House Christmas Ornament is a festive holiday wreath with decorations inspired by the life and presidency of Gerald R. Ford.
