FDA EUA KN95 mask instructions for use

Product Name
FOLDABLE PROTECTIVE EARLOOP MASK

Product Brand
XIKII

Product model
Non-medical KN95 mask

User instructions

1. Open the KN95 mask and check whether the mask is complete and defective. If there is a defect, do not use it.

2. Open the mask by hand and pull the ear straps with both hands.

3. Hang the ear straps of the mask on your ears to adjust the wearing comfort of the mask.

4. Press the bridge of the nose so that the upper part of the mask is close to the bridge of the nose.

5. Press around the mask with your hands to check whether the mask is closed to your face after wearing the mask.
