

GFH Grading System

At Green Furniture Hub, we rehome quality, gently used office furniture and equipment no longer needed by corporate clients that are moving office or refurbishing. Below is our condition grading system for the pre-owned items.

Excellent

- These items are in 'near new' condition.
- There will be no obvious signs of previous use such as scuffs, scratches or discolouration.
- Priced accordingly.

Good

- These items will show minor signs of previous use but are still in good to very good condition and working order.
- There may be small signs of wear and tear, minor scuffs, or minor changes in colour.
- Priced accordingly.

Fair

- These items will show signs of previous use and imperfections.
- There will be signs of wear and tear, scuffs and marks, changes in fabric or material colour.
- Priced accordingly.
