## Why you'll love this book:

You'll learn razor-sharp tools to teach with cutting edge effectiveness—a simple education about the entire teaching task. You don't need a degree in education to educate your child at home. All you need are some razor-sharp teaching tips and a little organization. Instead of wasting time and money trying to obtain a “degree” in education to prepare yourself to homeschool your children, now you can learn superb teaching strategies, at home, by a minimal “degree” of reading. This get-it-right-the-first-time parental teaching primer is all you need.

## Other books by Renée Ellison:

### ➤ **Womanly Ways to Grow Your Marriage**

A book for wives, to help them change their *thinking*, not their *spouse*, for a happier marriage. “I devoured it. I underlined on every page. Surprising examples and humor. I plan to read it over and over.” (Mrs. Tidmore in NM)

### ➤ **Teachers' Secrets and Motherhood Savvy for Homeschoolers**

- Domestic household management strategies (for efficient smooth days).
- Training the behavior of your children (about *training* your child, not just disciplining him).
- How to function well as a focused mother.
- How to wield more than a dozen well-aimed brain tools at a moment's notice, to produce academically sharp children.

“There's no excess verbiage to wade through here in hope of finding treasure. This is quick, applicable real wisdom for hectic parents.” (Mrs. Bates in Montana)
