There is much wisdom in your booklets, simply laid out for hectic parents and homeschoolers who don't want another part time job reading through excess verbage in hope of finding treasure. It's all right there in your writing for a quick read and quick application. And your Zoom-Type is superb in simplicity. (Mrs. Bates in Montana)

I am a new homeschool mom with 4 sons and often find it hard to finish a book.
Your booklets have wonderful information that I can digest in one sitting!

The Power of a Focused Mother is one of the best things I have ever read about mothering and homeschooling! (and I read a lot!) I am going to tell everyone I know about it. (Nancy Baetz, author)
