CONTENTS

***Part 1: The Power of a Focused Mother* 1**

You can pick out the children of a focused mother across a crowded room. It shows. In this section you'll learn how to become one of those focused moms, with outstanding results.

***Part 2: How to Train Your Children, Not Just Discipline Them* 27**

You must have your children's attention and be able to command their wills before you can ever teach them anything. Here you'll learn how to achieve that firmly and swiftly, to the relief of both parent and child.

***Part 3: 12+ Ways to Trigger the Brain —with Any Subject Matter!* 99**

Learn how to wield more than a dozen well-aimed brain tools at a moment's notice, to produce academically sharp children.

***Part 4: Top-Notch Home Management Strategies* 135**

Scores of techniques to make getting through your school day and home-life easier, more productive, and happier. Tips to vault you over glitches, snags, disorder and head knockers. Tips that every woman wishes her mother and a whole string of great-grandmothers had passed on to her—but most didn't. You'll learn how to vaporize that overwhelmed feeling. With these tips you'll run your home with confidence, because you'll BE capable.
