

AXION Square is the most popular member of the AXION family. With horizontal stabilization beams, the central tube connector, the zip-off roof, and its availability in 4 sizes, it is one of the most reliable inflatable tents on the market. AXION Square is proven to withstand winds up to 62mph, ranking the AXION product as one of the safest inflatable tents on the market. Brand managers would surely appreciate the possibility to use the different branded roofs with one structure, easily changeable by the zip-off technology. The zip-off cover, walls, visors and the entire inflatable structure can be printed in full color dye sublimation upon demand.

FEATURE SPECS

	AXL44 SQ	AXL55 SQ	AXL66 SQ	AXL77 SQ
OVERALL SIZE	13.1' X 13.1' 4 M x 4 M	16.5' X 16.5' 5 M x 5 M	19.8' X 19.8' 6 M x 6 M	23' X 23' 7 M x 7 M
