

I-CATCHER SKY WALKER FLAG

Bring your marketing message to life with the Impact i-Catcher Sky Walker Flag. Its distinctive design allows for 2 images on the flag and helps capture the attention of your prospects and increases your exposure at events. The Sky Walker is available in 2 different shapes, the Blade and the Sky flag, and can be removed from the backpack and displayed with a base option. The flags can be easily replaced to match your current promotion campaign. The backpack features a built-in literature pocket and 2 side pockets to hold business cards.
