

POWER TRIP

KELLY REEMTSEN

Medium: Acrylic and oil. **Trademark:** Figurative with an edge. **Creative flow:** My best hours are between 4 p.m. and 3 a.m.—an audio book and music are a must.

Artist in training: I studied fashion but fell in love with painting; I apprenticed under an amazing painter, found myself a studio and got to work. **Happy accidents:** I like to think of them as part of the process. **Source of inspiration:** Women everywhere. **What it takes:** A strong work ethic—go for it and get what you want. **Dream collaboration:** Crown Point Press in San Francisco. **My art is...** Modern, bold, thick, girly and biting.
