

Hemp seed products make great ingredients for cosmetics. Our facility can custom process, formulate, and package for your brand.

Made from Hemp Seeds

HEMP SEED OIL

- Makes a great addition to lotions, salves, and massage oils
- Non-comedogenic (does not clog pores)

MILLED HULLS

- Great natural, non-allergenic exfoliant in facial and body scrubs

CBD & THC SALVES

- Full-spectrum cannabinoid salves work great for sore joints, achy muscles, and arthritis pain

-
- Made from hemp grown & processed in the Midwestern US
 - Botanical contracting: Essential oil extraction with supercritical CO₂ technology from a wide variety of plant material such as lavender, mint, rosemary, and citrus
 - Co-packing services: Custom formulation options with a wide variety of recipes and packaging available
