

HEMP
ACRES

PETS

Natural, healthy food and bedding options for pets of all kinds, free from harmful chemicals and additives

Made from Hemp Plants

HEMP SEED OIL

- Cold-pressed oil from the hemp seed
- Rich source of omegas 3-6-9 fatty acids, especially high in GLA
- Helps maintain healthy skin, coat, weight, and digestive tract
- Anti-inflammatory, good for joint

CBD ANIMAL PELLETS

- Blend of hemp fiber, alfalfa, and CBD, a tasty treat that dogs & other small pets love!
- Great for anti-inflammation for older or sore animals
- Can be used with or as a replacement for glucosamine

ABSORBI-CEL

- Ideal animal bedding that is 6 times more absorbent than pine shavings
- Good for chickens, ducks, turkeys, geese, rabbits, gerbils, reptiles, and many more

H2O & H30 PELLETS

- Great source of protein and fiber in pet food, supplement, or treat formulations.
- Made from the cake leftover after cold pressing the oil from the hemp seed
- 30% Protein | 27% Fiber | 11% Fat

HEMP SEED

- Nutritious seed for feeding wild & domesticated birds
- Can be used in a blend of other seeds or on its own

FIBRI-CEL 90

- Can be used as a stuffing for pet beds & toys
- Non-toxic & safe

- Made from hemp grown & processed in the Midwestern US
- Non-GMO, no preservatives, or additives
- Easy to digest & a good source of energy
