

Jamies

— Jewellers since 1866 —

How to print

- Print this file on an A4 sheet of paper.
- Ensure to print at 100%. Check it is not being made to fit or shrink to the page as it needs to be the correct size.
- The outer grey box should measure 105mm x 175mm.
- If it doesn't measure this size you will need to check your printer settings and print it again.

How to use

- If you have a ring that fits the finger to be sized, place it over these circles and match the inside edge of the ring to the drawing.
- If the ring falls between two sizes please choose the larger size.
