OPEN SACRED SPACE

Before performing any ritual, it's vital to open sacred space. And when you're finished, you must close the circle and protect your sacred space and the magic you made. To open sacred space, call in the directions and elements for guidance and support:

East // Air
South // Fire
West // Water
North // Earth
Center // Spirit

EXPECT MIRACLES

Begin by placing the Mirror in a central location, symbolizing reflection and the power of manifestation. Gaze into the mirror, visualizing your desires as already accomplished.

Anoint yourself with the Love Anointing Oil, focusing on areas of your body where you seek to attract love, abundance, or healing. Set your intentions for miracles to manifest in your life.

Light the Ritual Candle, infusing it with your intentions for transformation and divine intervention. As it burns, envision the flame illuminating your path to miracles.

Place the Offering Bowl next to the mirror, offering gratitude and sincerity for the blessings already present in your life and those yet to come.

Place the Rose of Jericho in the Offering Bowl and add water, allowing it to absorb and magnify the energy of your intentions. Visualize the Rose of Jericho opening, symbolizing the unfolding of miracles in your life.

Sprinkle the Ritual Herb around the base of the mirror, infusing the space with its magical properties and enhancing the energy of manifestation.

Write your desires and intentions on the Incense Spell Paper, then burn it in the flame of the Ritual Candle, releasing your wishes to the universe.

Finally, place the Celestite near the mirror, inviting in the energy of divine guidance and support as you continue on your journey of miracles.

Close the ritual by expressing gratitude for the miracles already present in your life and for those yet to come. Know that your intentions have been heard and that miracles are on their way to you.
