Oil Absorbent Booms

10818-8"x10' Sorbent Booms

Floats on water

No fillers are included - 100% polypropylene is packed tightly inside of boom casing

Extremely absorbent boom absorbs many types of different types of oil spills and leaks on open water as well as retention ponds

Tough, finely woven, knitted polyester netting is used to keep fill inside boom in case the sleeve tears

Universal Absorbent Bonded Pads Heavy Wt.

15"x19" 100 pads per box

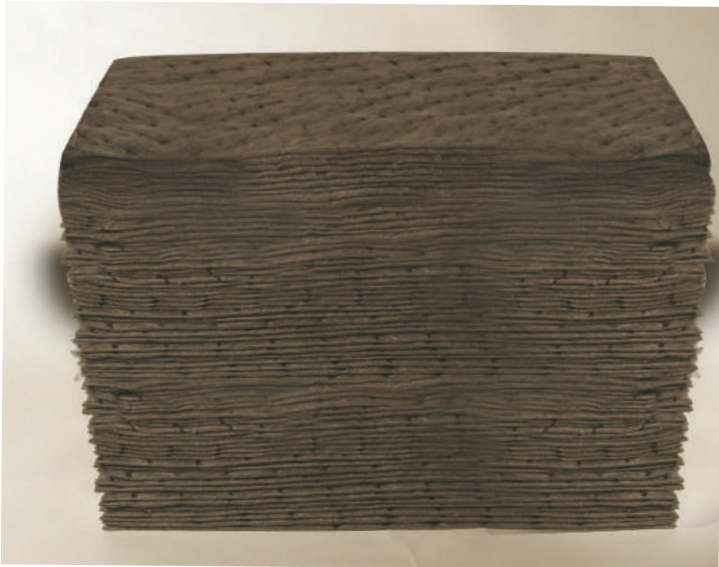

Chemtex Inc. bonded sorbent pads and rolls have 2 distinct layers comprised of tear resistant, lint free spunbond and a highly absorbent fast wicking random assembly of large diameter meltblown polypropylene fibers.

Ultrasonic weld points fuse these layers to create a stronger more durable Bonded pads and rolls are perforate to tear and use only what you need. Keeps its shape when fully saturated universal pads and rolls will absorb water, oil, and water based chemicals.

Also available in white oil only pads
