

Indonesian - Term 3 Overview

Junior Primary – In Indonesian the students will be learning about animals and the habitats they live in. They will learn the Indonesian names for well know animals as well as learn about animals that are exclusive to Indonesia. They will practice daily greetings as this will continue to improve their oral language skills.

Middle Primary – In Indonesian the students will be learning about adjectives and how to structure sentences. They will learn to label the body and face. The students will also be learning about the different islands in Indonesia and the culture that each island has. We will focus on Sumatra, Sulawesi, Kalimantan, Java and Bali.

Upper Primary – The students will focus on translating and reading Indonesian books for the Premiers Reading Challenge. They will also be designing and making their own congklak games, a tradition Indonesian board game. This will include instructions written by the students in Indonesian that will be able to be shared with other students in the school.
