INFORMATION

The Arcisan toilet brush holder features:

- a taller brush to give you a longer reach inside the bowl
- self centering brush
- black brush head
- brass and stainless steel construction
- removable and washable full length inner tube
- freestanding or wall hung (fixing kit included).

CARE AND MAINTENANCE

- All surfaces should be frequent cleaned with a mixture of mild, pH neutral soap and warm water with a soft cloth
- Do not use abrasive clothes, scouring pads on surfaces
- Do not use harsh cleaning agents i.e. cream cleaners or citrus based cleaners (*see cleaning leaflet for comprehensive list*)
