\* Colours indicated have 16 week lead time.

Slender and squared with rounded corners. The user-friendly and never aggressive Jingle basin mixer with extended spout is a young object in every sense. "Jingle is a modern tapware project because it's simple and immediate." say designers for Zucchetti, Ludovica+Roberto Palomba.

The Jingle basin mixer with extended spout has been crafted from solid brass.

Spout projection of 176mm.
