- **24/7 Wearability**
- **Breathable, Moisture Wicking & Durable**

Effective

- 360° targeted and mapped compression
- Breast/Body pockets for custom compression & prosthetics
- Axilla coverage & support

Comfortable

- Antibacterial, Latex & Velcro free
- Optional zip-in Extender for versatility (patent pending)
- Easy on, easy off with front g-hook & adjustable straps

Easy

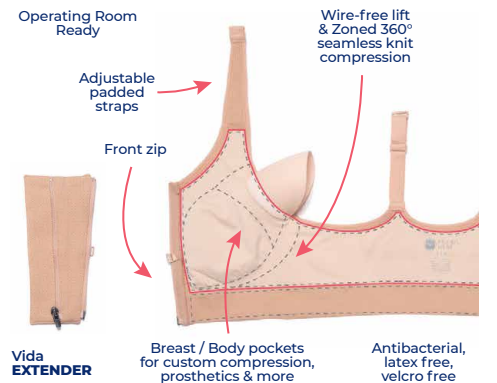

- Body friendly: just ONE measurement
- 1 bag, 1 tag - minimal packaging
- Machine wash & dry: easy wear, easy care!
- Fits Band Size 26 - 54 inches with only 6 sizes, minimal SKU's

Added versatility with the optional zip-in **Vida EXTENDER**

The HuggerVIDA is great for:

- Compression for shape, support and real comfort with less coverage than the HuggerPRIMA.
- Sleeping, relaxing or everyday living.
- Phased support when transitioning from a higher compression garment post-surgically or during lymphedema management.
- A comfortable go-to everyday bra with durability and easy care (machine wash & dry).
