

4050 Kendra Seamless Underwire Bra

Model: 4050 Kendra
Style: Microfiber Seamless Underwire
Profile: Average
Sizing: 34B to 40DDD
Colors: Latte, Black

Trulife's new, 4050 Kendra Bra, offers a sweetheart neckline that provides a flattering silhouette with a comfortable underwire.

This mold to body fabric delivers a smooth look and natural shape.

Lined microfiber cups; supportive power net sides; neckline and underarm bound with soft elastic to provide a secure fit.

Great fit for an Average profile.

Hook & Eye: Featuring our new SoftSeal™ skin-friendly breathable microfibre with rounded edges for superior comfort.

All Trulife bras feature pockets on both sides made from breathable soft moisture-wicking COOLMAX® for coolness and comfort.
