

School Uniforms 4 Less garments are made for a comfortable fit for everyday wear. If you do not know what size to order, take a measurement and use our size charts to find out your perfect fit. Our suggestion is to measure over the undergarments and not over other clothing. Use a measuring tape and wrap it around your body comfortably without making it too tight.

The fit of your garment(s) will depend on your personal preferences, the displayed sizing chart may be used as your guide. School Uniforms 4 Less caters to a great fit. We take pride and joy in all our school uniforms. If you have any questions please do not hesitate to email us at [schooluniforms4less@schooluniforms4less.com](mailto:schooluniforms4less@schooluniforms4less.com)
