

Meet the Most Unlikely BFFs this Side of the Rainbow!

DEATH

It's no fun being Death. Sure, you're all-powerful, but collecting souls involves a ton of paperwork, and it's impossible to have friends when everything you touch instantly dies. There is so much Death would like to try but will never be able to do, like play tag, slap some fives, give fist bumps, or even just get a hug.

Sparkles

Sparkles the Last Unicorn is kind of a big deal. He's everyone's bestie, the giver of sunshine and rainbows and cotton candy. The whole entire world loves him but sometimes Sparkles secretly wishes he could quit his job and read a book, or not have his photo taken, or be asked for candy, or have fans rub his horn, or try to tickle rainbows out of him.

Everything changes for **DEATH** & *Sparkles* when they meet and realize they might just be one another's first chance at a real friend.
