Make your own UNSTOPPABLE team!
It all starts with YOU.

Think of one quality or trait that makes you UNSTOPPABLE. Draw yourself at the bottom of the page and write what your strength is next to your drawing. Next, decide which awesome animals and/or people you’d like to join you. Draw each new friend, one on top of the other, and write what makes them UNSTOPPABLE, too!

Some ideas to get you started: your mom or dad, your friends from school, a big black bear, a tiny (but mighty!) ant.
