

MAIN RECEPTION

GENEE REGISTRAR

GENEE REGISTRAR IS GENEE'S VISITOR MANAGEMENT SYSTEM (VMS), WHICH GIVES YOU A SECURE, FLEXIBLE RECORD OF VISITORS, STAFF AND STUDENT'S ATTENDANCE ON SITE.

Visitors can sign in quickly and easily provide essential details such as their car registration and the company they are visiting from, so that you always have simple access to detailed visitor information.

The Genee Registrar version 2, is a cloud-base Visitor Management System (VMS). The VMS has now been designed to work in Online and Offline mode with new added features.

**ARE YOU
AWARE OF WHO
IS COMING IN
AND OUT OF
YOUR SCHOOL
PREMISES?**

MAIN FEATURES

CLOUD BASED

(ONLINE MODE)

Registrar will now function from a Cloud Server rather than solely a local machine. This means all maintenance and updating of the system is automatic, users subscribed to our software update service plan will always have the latest Registrar features and additions.

Backups and customisations will also be stored on the cloud. All Data is stored at our Data Centre Manchester.

SUPPORT FOR YOUR VISITOR MANAGEMENT SYSTEM LIKE NO OTHER!

REMOTE SUPPORT & MAINTENANCE

You can purchase a remote support and maintenance agreement with your Genee Registrar system. This gives you access to the following:

- Unlimited telephone support
- Unlimited remote support
- Unlimited access to the support portal
- Remote software upgrades to new Genee Registrar releases
- Site visits for hardware failures*

Our remote support service relies on our engineers being able to connect to your Genee Registrar system remotely, in some cases this is not possible due to restrictions put in place by your internet or network provider. In cases such as this, we recommend upgrading to our on-site support agreement, please contact your reseller or Genee for further information.

Support Portal Genee is committed to helping our customers get the best out of their system. To demonstrate this we have developed an online portal where you can go to get help and assistance. The Genee help desk allows you to access the following information at any time:

- Video tutorials covering all the features of the Registrar system
- Registrar documentation
- Raise new questions and support tickets
- Track existing support tickets and securely upload files to Registrar
- Feature requests and ideas. In order to access the help desk an account will be created for you at installation. You can have as many accounts set up as you like. Please let us know if you would like to have additional accounts created.
