Qualica-RD **CANOPUS PORTABLE**

Portable tripod not fixed or anchored to the ground, to be placed wherever necessary.

Qualica-RD CANOPUS PORTABLE. This turnstile can be placed wherever pedestrian access control is needed. Composed of tripod + base + railing and with 2 wheels.

The top cover is made of tempered glass and the magnetic card panel is incorporated into the traditional stainless steel design. The entire body is made of stainless steel and is surrounded by a decorative LED light bar.

3-year warranty. Ideal for hotels, gyms, buildings, shopping malls, supermarkets, reception areas, etc.

QUALICA-RD

CANOPUS Portable Tripod

Features

- It is ideal for both indoor and outdoor use.
- In case of emergency, the tripod arms lower automatically to allow free passage.
- The whole system operates with low noise and no mechanical impact.
- Automatic reset function: the turnstile arm will automatically lock within 5 seconds.
- It has standard relay signal, which can integrate with any kind of third party access control system.
