Removal

pull tab using a paperclip, toothpick, or other similar object.

NEVER pull the strip towards you. Doing so may result in damage to your wall.

LIGHTLY HOLD the base of the Dockern and PULL the tab straight down, very SLOWLY.

STRETCH straight down along wall at least 15 inches until the Dockem releases from the wall.

NOTE: If you accidentally tear the pull tab, please visit www.dockem.com/brokentab for alternative removal instructions

IMPORTANT: Failure to follow instructions carefully may cause damage! SAVE INSTRUCTIONS for damage-free removal.

CAUTION: While the Command strips are very strong on most walls, there are certain materials and textures on which they may not adhere properly. Please see reverse side for a simple strength test you can perform.

CAUTION: Apply only to surfaces above 50°F (10°C). Adhesive could soften and lose adhesion above 105°F (40°C). DO NOT use with delicate wallpaper. May not adhere well to some vinyl wallpapers, ceramics, certain paints, textured walls, and certain plastics. Visit www.dockem.com/strengthtest.
