TEAM PARTNERSHIP PROGRAM

2023-2024

PREFERRED PROVIDER TO THE NAHL, NA3HL & NAPHL.

WE ARE HOCKEYAK

Our mission is to elevate the game of hockey by crafting exceptional bags and apparel that empower players to look their best and feel confident, both on and off the ice. Because we are committed to quality, and know what works, this year we were chosen as a preferred hockey apparel and gear bag partner of the NAHL, NA3HL, and NAPHL.

TEAM PARTNERSHIP PROGRAM

With the endorsement of three of the biggest hockey leagues in the US, we've created a Team Partnership Program to deliver competitive pricing and product customizations to hockey clubs and associations hoping to elevate their game with high-quality gear that looks sharp and performs at the ultimate level.

OUR STORY

Ours is the story of a young skater determined to create quality products for hockey-lovers just like him. At 12 years old, Jackson set about building a brand he could believe in, one that embodied everything about the game he loves. That brand is HOCKEYAK. Jackson's grown a bit since then, and so has HOCKEYAK. Now we can both hold our own against the big boys.

WHY A YAK?

Yaks are hearty beasts. They are tough, good on ice, and have three times the lung capacity of their low-land, milk-producing cousins. They also have terrible teeth. And every single one of them has amazing flow. Could there be a better mascot for a hockey brand?

YAKSAKS

Like the yak, the hockey bag is an unsung hero on the ice. It's relied upon to turn up and keep everything together, game after game, week after week. That's why we make ours tough. Using the most durable materials and quality workmanship, our YAKSAKS are designed to take a beating and come back for more. All while keeping the team and their gear looking and feeling like absolute champions.

We spent years developing a player bag with everything players need, and nothing they don't. We're proud of the result.

Super-strong, flexible grab handles at both ends.

Reinforced hook and loop player number and team logo attachment.

#10 YKK zipper with pull tap.

Large, super-strong vents.

Durable, water-resistant tarpaulin.

HOCKEYAK styling. You're welcome.

YAKSAK PLAYER BAGS

Both the HOCKEYAK YAKSAK Pro and Junior Player Bags feature prominent hook and loop attachments on their front and left sides. On the front, there's a large attachment for a team logo, and on the left, a smaller attachment for player numbers. Easily switch out patches as players change positions or the team changes its look.
