

Welding Wizard

We are looking for someone:

1. To actively support the aims and objectives of Anevay Ltd.
2. To work with the Directors in providing MIG and TIG welding and fabrication services.
3. To manage the stock control of parts and planning of stove production.
4. To oversee the work of the Welding Assistant.
5. To oversee the welding workshop and ensure safe practice at all times.
6. To follow the policies and procedures of Anevay Ltd, to ensure a safe working environment for all employees, contractors and customers.
7. Any other duties required by the Directors for effective delivery of the business to customers.

Your personal qualities will be:

A friendly disposition towards staff, contractors and customers

Good organisational skills.

A commitment to providing a quality product

Honesty, respect, confidence, understanding and sociability

An ability to find solutions to solve problems

An interest in the outdoors

If you think you have what it takes, please complete the 'My Name in the Hat' form.
