

2-Pin Cable Extender

The custom Tactical Support Equipment Inc. 2-Pin Cable Extender provide the operator with the ability to lengthen a run of 2-Pin power cable.

By using two shorter power cables, the operator can connect the 2-Pin Cable Extender between the two cables and effectively make the power cable longer. The 2-Pin Cable Extender can also be connected to the end of a standard 2-Pin Power Cable and change the gender of the cable from male to female. The 2-Pin Cable Extender uses Tajimi 2-Pin connectors.
