

## Camera & Accessory Mounting System (CAMS)

When performance and stability of your camera feed cannot be compromised, you need a stable, light-weight, and secured mechanism to attach to your K9.

TSE's CAMS (Camera & Accessory Mounting System) is your complete solution. Made from light-weight Tegriss, our patent pending platform integrates seamlessly into our tactical K9 vests, and ballistic coverlets through laser cut slits built into our vests.

Does not include  
K9 Camera

### Features:

- Counter balanced & ergonomic pontoons for even weight distribution
- Aircraft grade aluminum rail system, for fast and secure attachment and locking
- Easy to pull tactile toggles, for easy disengagement of your camera/accessory
- Rear facing bumper pad, eliminated forward & backward "rock" as dog is running
- Don & Doff your camera / accessory in seconds without straps, buckles, or snaps
- Mounting options are unlimited. Add rails, ambient lighting, sensors, payloads & more
