

# GRRIP Battery Cable

TSE Inc.'s Global Rapid Response Information Package (**GRRIP**) Battery Cable was designed to allow users to extend the mission operating life of the GRRIP System.

The GRRIP Battery Cable connects two BA-5590 (Primary Cell) or two BB-2590 (Rechargeable) family of military style batteries together to output 24VDC to power the system. The GRRIP Battery Cable with GRRIP System has been deployed by the Global Response Force over the last few years with outstanding mission success.

**Part #: TSE-5590-GRRIP**

## Specifications
