Handheld Satcom Antenna

The **Handheld Satcom Antenna** is a new line of handheld Satcom antenna. The antenna is extremely lightweight and portable. With 5 dB of gain, the antenna provides performance that has not been previously available in such a small form factor. The Handheld SATCOM Antenna comes standard with a detachable tripod, earth spike, magnetic mount, soft pouch, coax cable and a rugged transport case. This antenna is now **MUOS** compatible.

PART #: TSE-RF-SAT-HH
