

# Recon Ballistic K9 Carrier NIJ Level IIIA

Our ballistic K9 carrier does away with the large, oversized, heavy "blanket" idea that most handlers associate with K9 ballistics vests.

We've designed a sleek, ergonomically contoured carrier that allows a working dog to focus on the task at hand vs. getting worn out from the weight & heat of other vests.

## Features:

- Seamless integrated molle & ID panels
- (2) molded mini handles & (1) center luggage handle
- Camera mount ready
- Soft loops for quiet approach rated over 3,500lbs tensile strength
- 1,000 denier Cordurads body with Trelleborg deck
- Berry compliant & Made in the USA
- Protection Levels
