

HOW TO MAKE FORTUNE TELLER:

- HAVE A PARENT HELP YOU CUT OUT THE SQUARE.
- FOLD ONE CORNER TO MEET THE OPPOSITE CORNER (DIAGONAL), THEN UNFOLD. DO THE SAME WITH THE OTHER CORNERS. YOU SHOULD SEE A FOLDED "X" IN THE MIDDLE.
- FOLD ALL CORNERS IN, SO THEY MEET IN THE MIDDLE.
- FLIP OVER. FOLD CORNERS IN, SO THEY MEET IN THE MIDDLE.
- FLIP BACK OVER AND FOLD IN HALF. YOU SHOULD SEE THE SQUARES WITH NAMES OF CLUBS ON THE OUTSIDE.
- INSERT YOUR FINGERS INTO EACH SQUARE AND PULL OUT SO IT POPS UP INTO SHAPE.
- HOW TO PLAY: HAVE A FRIEND PICK A CLUB, AND USE THE FORTUNE TELLER TO "SPELL" THE CLUB'S NAME. THEN, HAVE YOUR FRIEND PICK ONE OF THE NUMBERS INSIDE. USE THE FORTUNE TELLER TO "COUNT" THAT NUMBER. HAVE YOUR FRIEND PICK ONE MORE NUMBER. READ WHAT'S INSIDE, AND YOUR FRIEND HAS TO DO THAT RIGHT NOW!
