

Peach Glaze

Ready 10 min

Ingredients

- 0.5 oz Peach Crystals
- ½ cup water
- 2 tablespoons maple syrup
- 1 tablespoon corn starch
- ⅓ lemon, juiced

Preparation

1. In a pan, mix all ingredients and simmer until thickened, 2-5 minutes, whisking constantly.

Here the glaze is used as a filling for cookies. But it's so versatile, you can use it for anything - cakes, savory dishes, doughnuts.
